Dear Applicants,

This packet contains an application for “Mountain Camp” and “Fish Camp”, sponsored and run by the Tulalip Natural Resources Department. This is an exciting opportunity for our kids to explore the outdoors while learning more about Tulalip’s culture and traditional areas.

We ask that you read all information carefully and fill out all pages completely. Pay special attention to Essential Eligibility Criteria (purple page) to ensure the applicant understands what will be asked of them to protect and safeguard all participants during the camp.

Since we are once again asking The YMCA to provide needed gear and expertise, their name appears on portions of the application. Be assured that all information will be used for this camp only and will be kept confidential.

**Full applications are due Friday, June 7th at the end of the business day.**

To submit your application or if you have any questions, please feel free to call or email:

   Kelly Finley, Camp Director @ (360) 716-4604; kfinley@tulaliptribes-nsn.gov
   or
   Libby Nelson, Project Coordinator @ (360) 716-4639; lnelson@tulaliptribes-nsn.gov

*If more than 12 students per camp register by June 1st, priority will be given to Tulalip Tribal members in higher grade levels and to achieve gender balance. If there are more than 12 outgoing 8th grade Tulalip applicants per camp, a lottery will be held to determine final campers.*

Acknowledgement of Risks & Trip Policies

In consideration of the services of the YMCA’s Boys Outdoor Leadership Development (BOLD) & Girls Outdoor Leadership Development (GOLD), their officers, agents, employees, and stakeholders, and all other persons or entities associated with those businesses (hereinafter collectively referred to as “BOLD & GOLD”) I agree as follows:

Although BOLD & GOLD has taken steps to provide me with appropriate equipment and skilled guides so I can enjoy an activity for which I may not be skilled, BOLD & GOLD has informed me this activity is not without risk. Certain risks are inherent in each activity and cannot be eliminated without destroying the unique character of the activity. These inherent risks are some of the same elements that contribute to the unique character of this activity and can be the cause of loss or damage to my equipment, or accidental injury, illness, or in extreme cases, permanent trauma or death. BOLD & GOLD does not want to frighten me or reduce my enthusiasm for this activity, but believes it is important for me to know in advance what to expect and to be informed of the inherent risks. All opportunities are subject to change based on environmental conditions, availability of federal land use permits and backcountry reservations. The following describes some, but not all, of those risks.

Risks of my enrollment or participation in BOLD & GOLD activities include, among other things: Slipping and falling; falling objects; water hazards, including drowning; exhaustion; exposure to temperature and weather extremes that could cause hypothermia, frost nip, and frostbite that may result in loss of limbs, digits and permanent scarring, hyperthermia (heat related illnesses), heat exhaustion, and heat stroke; sunburn; dehydration; exposure to potentially dangerous wild animals, insect bites, and hazardous plant life; equipment failure or injury from equipment; van or automobile-related accidents/incidents; improper lifting or carrying; an “act of God” including things like avalanche, rock fall, inclement weather, high winds or tides, and lightning, accidents or illnesses occurring in remote places without available medical facilities. My own capabilities may contribute to the risk, including my sense of balance, physical coordination, and ability to follow instructions. If I experience fatigue, chills or dizziness during the activities, my reaction time will be diminished and the risk of accident will increase.

I am aware that a BOLD & GOLD wilderness course entails risks of injury or death to any participant. I understand the description of these inherent risks is not complete and that other unknown or unanticipated inherent risks may result in injury or death. I agree to assume and accept full responsibility for the inherent risks identified herein and those inherent risks not specifically identified. My participation in this activity is purely voluntary, no one is forcing me to enroll or participate, and I elect to enroll and participate in spite of and with full knowledge of the inherent risks.

I acknowledge that engaging in this activity may require a degree of skill and knowledge different than other activities and that I have responsibilities as a participant. I acknowledge that the staff of BOLD & GOLD has been available to more fully explain to me the nature and physical demands of this activity and the inherent risks, hazards, and dangers associated with this activity.
I certify that I am fully capable of enrolling and participating in this activity. Therefore, I assume and accept full responsibility for myself, including all minor children in my care, custody, and control, for bodily injury, death or loss of personal property and expenses as a result of those inherent risks and dangers identified herein and those inherent risks and dangers not specifically identified, and as a result of my negligence in participating in this activity.

I have carefully read (or had read to me), clearly understood and accepted the terms and conditions stated herein and acknowledge that this agreement shall be effective and binding upon me, my heirs, assigns, personal representative and estate and for all members of my family, including minor children.

Waiver & Release of Liability

I have read the Acknowledgement of Risks statement and I have reviewed the Program Policies with my child. I am aware that my child will have the opportunity to participate in, and I approve of his/her participation in adventure activities involving a degree of risk.

I authorize YMCA personnel to call for medical care for the minor or to transport the minor to a medical facility or hospital if, in the opinion of such personnel, medical attention is needed by the minor. I further authorize appropriate personnel to render such medical treatment as is necessary for the health of the minor, in their professional opinion. I agree that once the minor is in the care of medical personnel or a medical facility, the YMCA shall have no further responsibility for the minor and I agree to pay all costs associated with such medical care and transportation.

I give permission for the YMCA (local, national and international) to use, without limitation or obligation, photographs or other media that may identify or include the image or voice of me or my child to promote or interpret YMCA programs for any business purpose, including media coverage. I waive all claims for any compensation for such use.

I understand that fellow participants may also use media, including but not limited to photography or videography on this trip. I release the YMCA from any liabilities, known or unknown, arising out of the use of this material.

I understand that YMCA staff will encourage my child to set his/her own touching and personal space limits. I understand that staff in the YMCA outdoor adventure programs are mandated by state law to report any suspected cases of child abuse or neglect to the appropriate authorities for investigation.

I understand that my child will not be released from the adventure site unless the signature on the health form matches the signature of the person picking up the child or matches the signature giving written permission for a different person to pick up the child.

I understand that should a person arrive to pick up the child and appear to be under the influence of drugs or alcohol that the child will not be released until another person who is not under the influence of drugs or alcohol arrives to pick up the child. If no person is located, staff may have no recourse but to contact the police.

In consideration for my child being permitted to participate in outdoor activities, I hereby agree to release the YMCA of Greater Seattle (“YMCA”), its directors, officers, employees, agents and volunteers (collectively “YMCA Releasees”) from all liability to me or my child for any loss or damage to property or injury or death to person, whether caused by the ordinary negligence of the YMCA Releasees or any other person, and while I or my child are participating in outdoor activities. I agree not to sue the YMCA Releasees for any loss, liability, damage, injury or death described above, and I agree to indemnify and hold the YMCA Releasees harmless from any loss, damage or cost they may incur due to my or my child’s participation in outdoor activities.

The U.S. National Park Service and some other federal land management agencies do not allow service providers, such as the YMCA of Greater Seattle, to be released by their participants from liability for injuries or other losses occurring on certain public lands. On those lands, the YMCA of Greater Seattle is limited to the Acknowledgment of Risks. I intend for this release and waiver of liability to be as broad and inclusive as is permitted by the laws of the State of Washington. If any portion of this release is held to be invalid, I agree that the remaining terms shall continue in full force and effect.

I have read or have had read to me, and I understand and agree to the above statements. I understand that this form may not be altered and that my child may not attend their program without this form signed. I acknowledge that I have signed this of my own free will and that my or my child’s participation in outdoor activities is purely voluntary.
